## Information for parents and carers

Manchester Literature Festival aims to provide a safe and enjoyable experience for every young person. To help us do this, please note the following important information:

- All questions on the consent form must be completed and signed by the parent or carer before any young person takes part.
- Parents and carers must ensure they notify us of any changes to the information given on the form.
- Parents and carers must make arrangements for children to be brought to and from the activity safely and on time. If a parent or carer is not able to collect their child, they need to let us know in advance who will be doing so.
- Parents and carers should ensure children have sufficient water, food, clothing and medication (where appropriate) for the duration of the activity.
